**UNDERTAKING**

I hereby undertake and certify that the following information and documents as regard to institution has created an ecosystem for innovations and have initiatives for creation and transfer of knowledge (Metric No. 3.2.1) during the academic year 2018-2023 is true to the best of my knowledge.

Principal  
South Salmara College  
South Salmara  
Principal i/c  
South Salmara College

Institutions has created an ecosystem for innovations, Indian Knowledge System (IKS), including awareness about IPR, establishment of IPR cell, Incubation centre and other initiatives for the creation and transfer of knowledge/technology and the outcomes of the same are evident.

South salmara college being a newly provincialized one has not been able to create sufficient ecosystem yet for innovations. The college has been offering programs in Political Science, Economics, Education, English which incorporates parts of Indian thoughts and philosophy, literary epics etc. The college has a newly established IPR Cell which has started functioning recently. There are no other initiatives taken by the institution for the creation and transfer of knowledge/technology.

The college has created an ecosystem for innovation and takes initiatives for the creation and transfer of knowledge in various phases.

### **South salmara college Innovation Council**

The Innovation Council of South salmara college inspires, encourages, and nurtures young students by supporting them to work with new ideas and transform them into prototypes in their formative years. Innovation and Start up Policy has been framed by the institute. Various programmes on Start-up, IPR, entrepreneurship development in Higher Education Institute, idea competitions, industry visit etc. are organized to inculcate entrepreneurship culture among students. The students participates all these programmes actively.

### **Research and Publication Cell**

With the aim to inculcate research culture and attitude amongst students and the teachers, the college has established **Research and Publication cell**. The cell organizes seminars, workshops, lectures and webinars on various issues, both in-house and by inviting speakers. Moreover, the cell organizes Faculty Seminar to discuss the research works of the faculties with the peers. The cell framed the *Code of Ethics to check malpractices and plagiarism in Research* for the institute for the college.

The outcomes of these cells are as follows.

Presently 10 faculty members have been awarded Ph. D. degree. Our College plans to organize National Level seminars sponsored by UGC, ICSSR and ICHR. Students are always influenced to participate and submit abstracts in the research programme, for which students are time to time trained to write abstract or dissertation with scientific attitude.

## Career Counseling and Placement Cell

Career Counseling and Placement Cell in collaboration with various Government and Private organization organizes various activities, lectures on Soft skill and Personality, entrepreneurship development, Career opportunities and workshop on Public speaking skill coaching in competitive examinations etc. The Cell not only guides the students of this college but also to students from other institution.
